Net income (loss) attributable to shareholders of the Company for the six months	554,646	(230,881)	340.2%

"We are very pleased with our significant increase in profit in the Q2 and six-month period ended June 30, 2015, and the operating performance of the company is expected strong for the remaining of the year." said Chengfeng Zhou, CEO, China Education Resources. "We have launched teacher training mobile APP and the formative

assessment program in the first half of 2015, of which can provide various types of programs and services to teachers and students. We expect our unique and comprehensive blend of education resources and services will provide CER with long-term revenue potential.”

In collaboration with China's education administrators and experts, China Education Resources has been helping to transform the curriculum of the world's largest educational system. Recognizing the need to address education reform changes, China Education Resources has created educational tools and curriculum for China's entire kindergarten through twelfth grade system. The Company is playing an integral part in transforming China's educational system through helping to convert the existing educational system from a memory-based learning system to a creative thinking and interactive approach. Presently, China Education Resources has over 1 million kindergarten through twelfth grade teachers registered through its Web portal.
