China Education Resources Inc. Grants Stock Options

VANCOUVER, Canada (August 20, 2020) - China Education Resources, Inc. ("CER") (TSXV: CHN) (OTCQB: CHNUF), an ed-tech company with leading technology of intelligent system and contents to provide online/offline learning, training courses and social media for teachers, students and education professionals, today provides shareholders and investors with an update:

China Education Resources Inc. has recently granted 1.03 million stock purchase options to directors and employees of the Company for their past services. Each option allows the holder to acquire a common share of the Company at an exercise price of ten cents per share in Canadian dollars. The options are exercisable for a period of five years.

In collaboration with China's education administrators and experts, China Education Resources has been helping to transform the curriculum of the world's largest educational system. Recognizing the need to address education reform changes, China Education Resources has created educational tools and curriculum for China's entire kindergarten through twelfth grade. The Company is playing an integral part in transforming China's educational system through helping to convert the existing educational system from memory-based learning to a creative thinking and interactive approach. Presently, China Education Resources has over 1 million kindergarten through twelfth grade teachers registered through its Web portal.

Safe Harbor Statement

Certain statements made herein, and other statements relating to matters that are not historical facts and statements of our beliefs, intentions and expectations about developments, results and events which will or may occur in the future, constitute "forward-looking information" within the meaning of applicable securities legislation. Forward-looking information and statements are typically identified by words such as "anticipate", "could", "should", "expect", "seek", "may", "intend", "likely", "plan", "estimate", "will", "believe" and similar expressions suggesting future outcomes or statements regarding an outlook. All such forward-looking information and statements are based on certain assumptions and analysis made by China Education Resources, Inc.'s management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. These statements, however, are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information or statements. Important factors that could cause actual results to differ from these forward-looking statements include those described under the heading "Risks and Uncertainties" elsewhere in the Company's MD&A filed at www.SEDAR.com. The reader is cautioned not to place undue reliance on forward-looking information or statements. Except as required by law the Company does not assume the obligation to revise or update these forward looking statements after the date of this document or to revise them to reflect the occurrence of future, unanticipated events.

The TSX Venture Exchange has not reviewed, and does not accept, responsibility for the adequacy or accuracy of the contents of this press release.
